# Dining

# PAPPALI

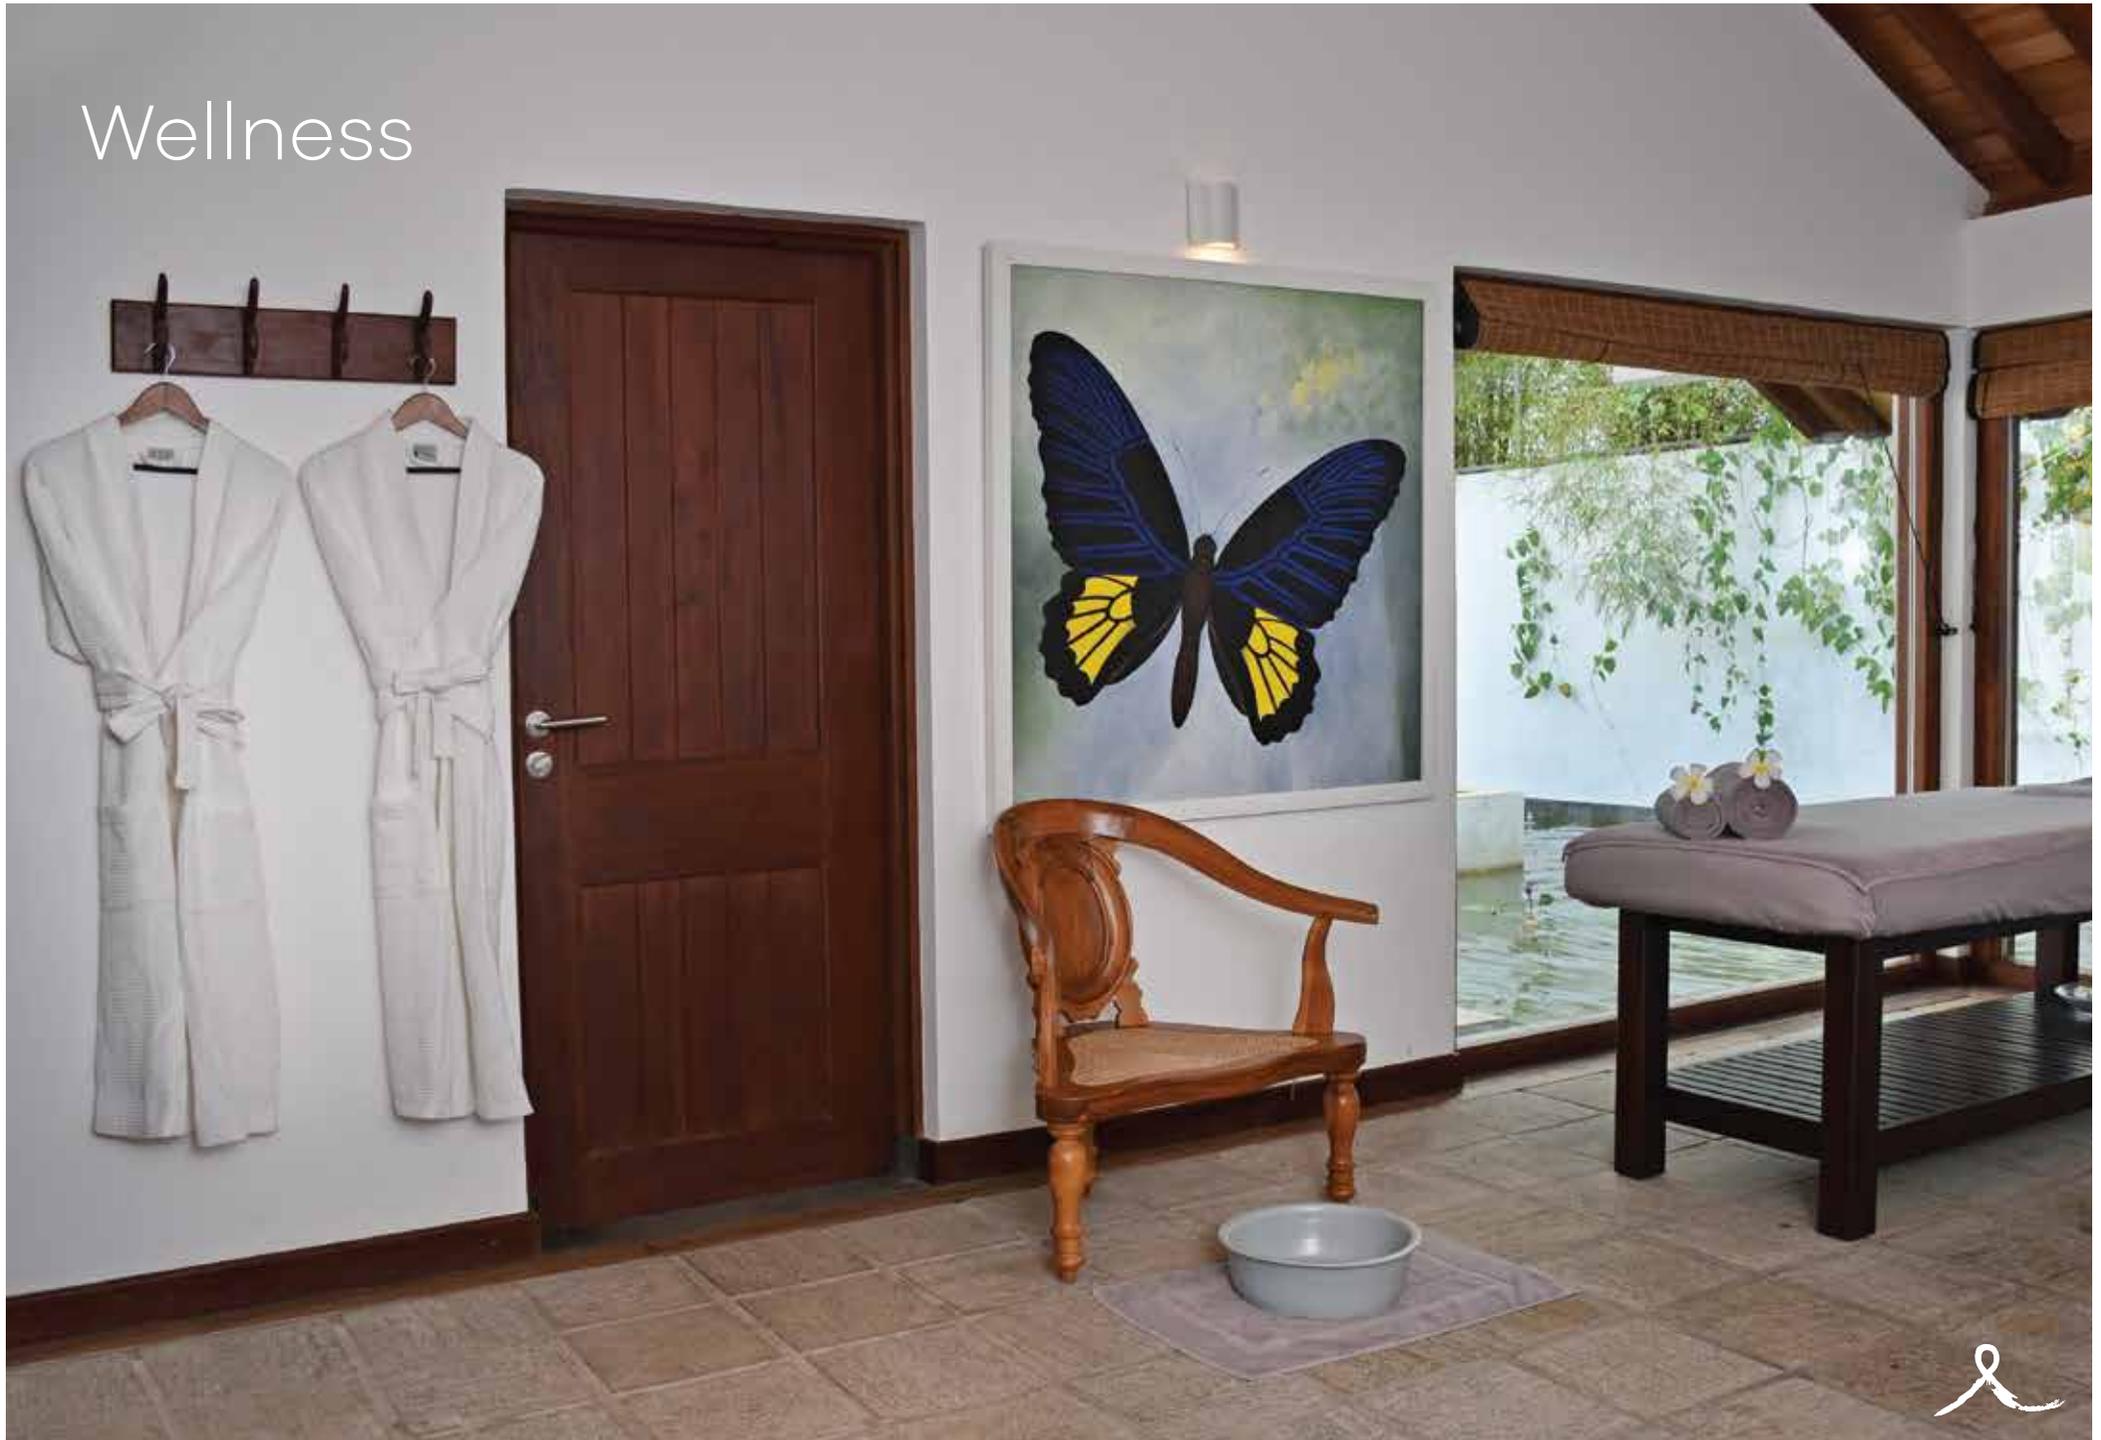

An elevated ceiling gives way to an ornate chandelier in an open pavilion as it fuses seamlessly with decadent interiors and intricate trimmings Pappali's unique dining experience is underpinned by private soundproof bays for personal dining.

Whilst the minimalist design and homely comfort of the private dining pods make the perfect family dining experience, guests can also chose to dine looking out over ocean views, or across the pool.

Our fresh, locally sourced Sri Lankan cuisine is fused with South Indian marinates and Arabic grilling techniques offering a uniquely diverse menu.

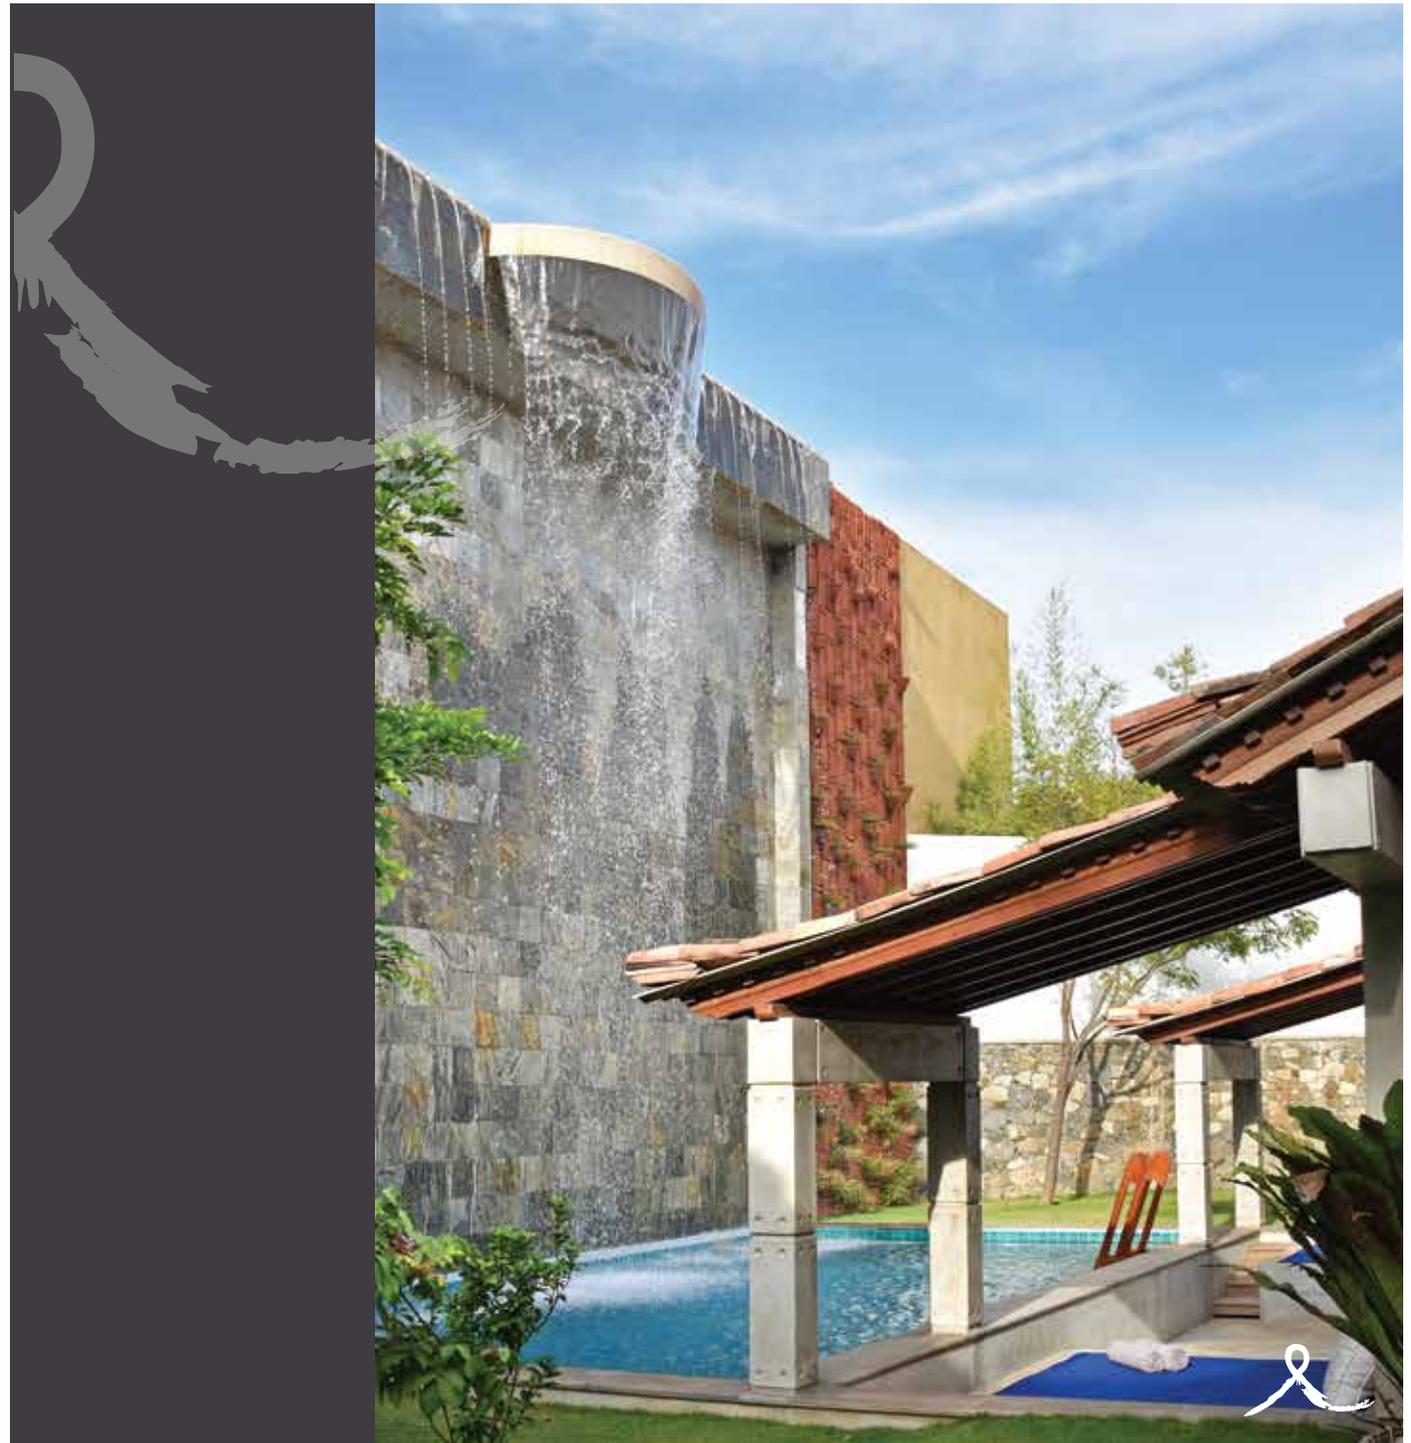

# Wellness

The Wattura Spa offers treatment rooms, cascading waterfalls, temperature - controlled hot and cold pool, relaxation areas, courtyards and a Tropical Garden.

Professional therapists trained to the highest standard are on hand to offer an unforgettable experience of relaxation and tranquillity.

# wattura KIDS

Even on vacation parents & kids still need a break, Wattura have it covered. Kids can engage in exciting supervised activities including arts and crafts, outdoor games, water slides, sport activities, playground, video games and much more...

### Wattura Kids Zone Night Out

Kids can enjoy an evening of games and movies whilst parents savour a long awaited (and deserved) candle lit dinner or even just a stroll on the beach

### Themed Fun

Wattura Kids Zone ensures a unique themed celebration on special days

### Food Fun
